## Welcome Göttingen

*International Welcome Lounge for fellows and families*

Ms. Prof. Dr. Hiltraud Casper-Hehne, Vice President for International Affairs of the University of Goettingen and the Lions Clubs in Göttingen welcome the international fellows and their families in Göttingen. Our aim is to create more personal relations within the international community as well as between locals and guests.

International guests and newcomers in Göttingen and their families/partners are invited to meet for the Welcome Lounge with locals of the Lions Clubs and others once a month. Each guest pays his ordered food or drinks on his own. The Welcome Lounge is a free meeting format without necessary registration so far, but we would be happy to have your registration through the contact address below. The Welcome Lounge will take place in the

Restaurant Bullerjahn / Scharwache  
in the basement of the traditional City Hall  
on dedicated Wednesdays at 07:30 p.m. (19:30).
